Registration Begins Aug. 6 At El Camino

General registration for classes at El Camino College will start Monday and continue through September 5, Merl F. Sloan, director of student personnel, announced today.

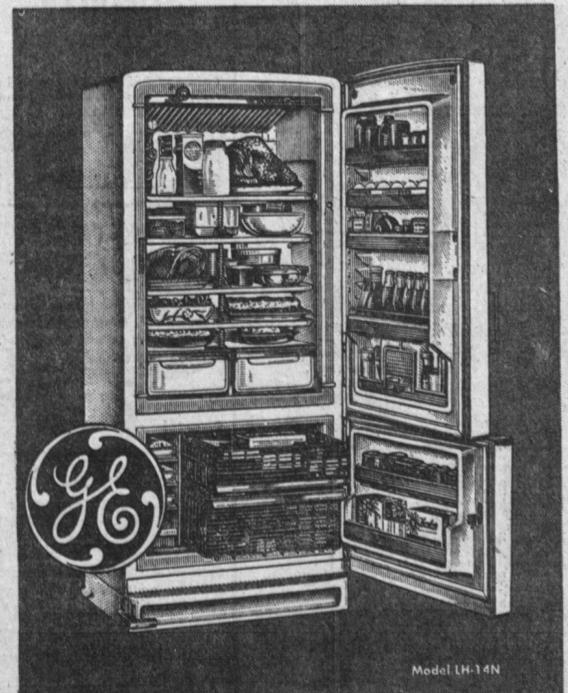

Enrollment of students who received counseling for their fall program on the campus last semester and of part-time students who attended classes at the college last spring is now in progress and will be completed tomorrow.

Prospective students planning to enroll for a full-time program of 10 or more units must make appointments for registration by calling at the Counseling office of the college, stated Leo Christian, assistant director of student personnel, in charge of registration and records.

College officials emphasized that early registration is imperative if students wish to avoid the possibility of closed classes.
